Grug had a new cookbook.
He decided to try: tea-tree soup,
gum-leaf rolls and carrot cake.

He picked some tea-tree leaves
and gum leaves from the tree ...

The recipe for soup said:
Chop up the tea-tree leaves ...

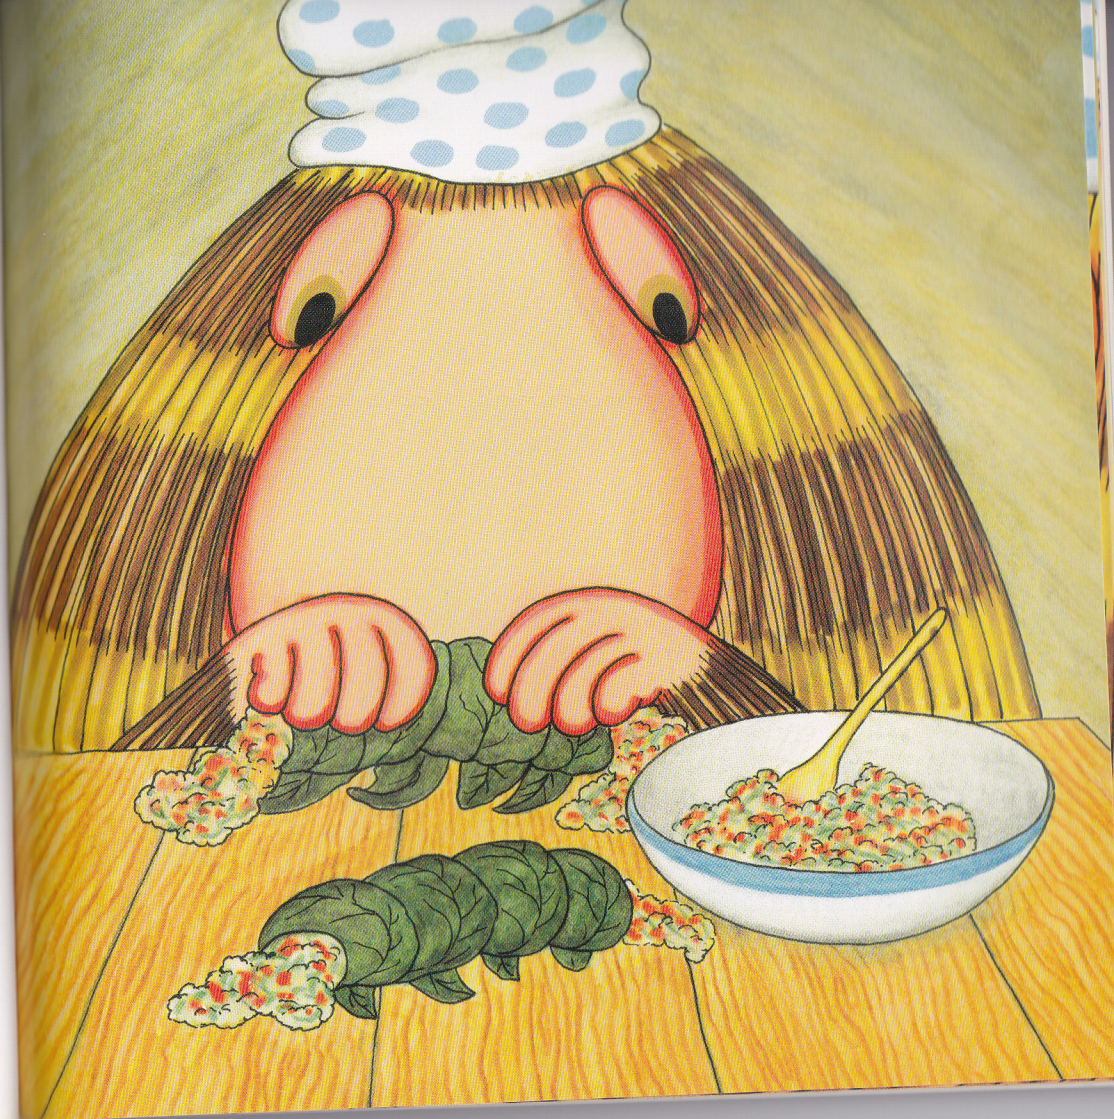

*... put them in a pot and cover them
with cream.*

Grug cooked the mixture over his fire
to make tea-tree soup.

Next Grug cut up the carrots and spinach.
He mixed them with eggs and flour.
Then he wrapped the mixture in gum
leaves to make gum-leaf rolls.

But the mixture oozed out, so Grug
ate the gum leaves instead. Very tasty!

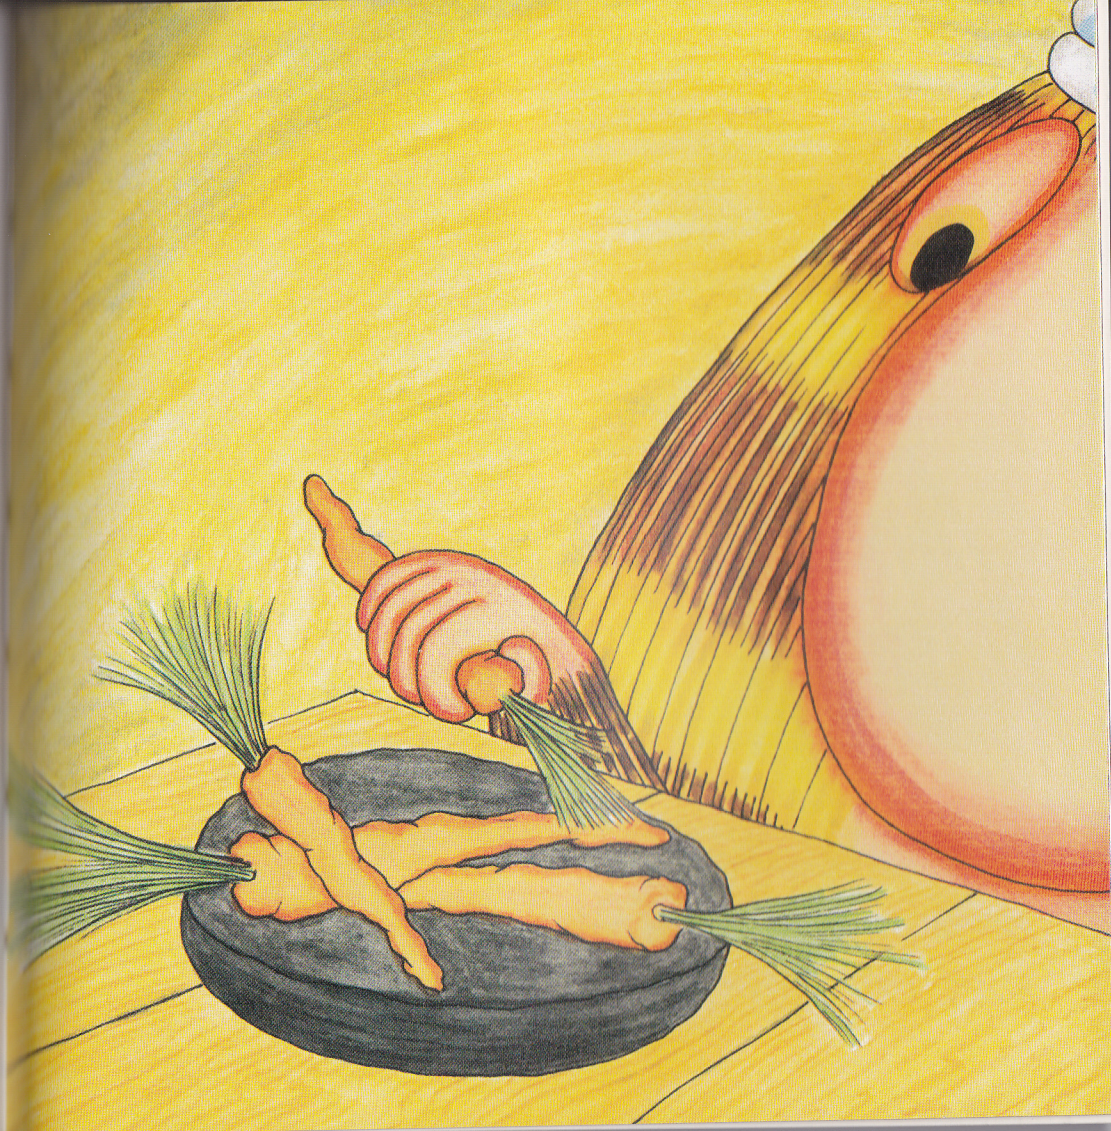

Now it was time to make the carrot cake.
He beat flour, eggs and milk together in
a bowl.

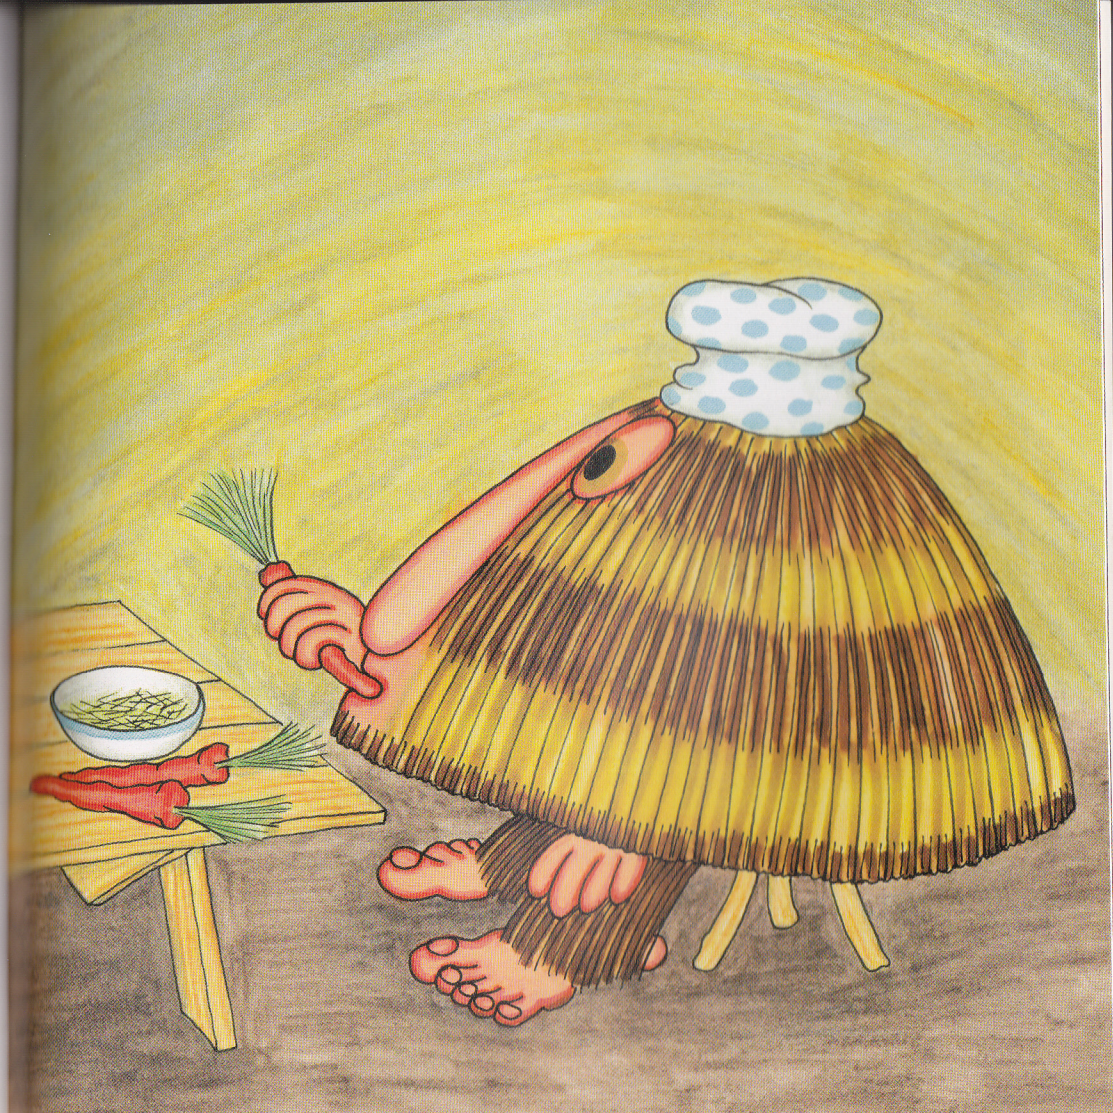

He licked the mixture. Delicious!

Grug baked the rest of the mixture,
but it came out burnt and black. He put
carrots on the top to make a carrot cake.

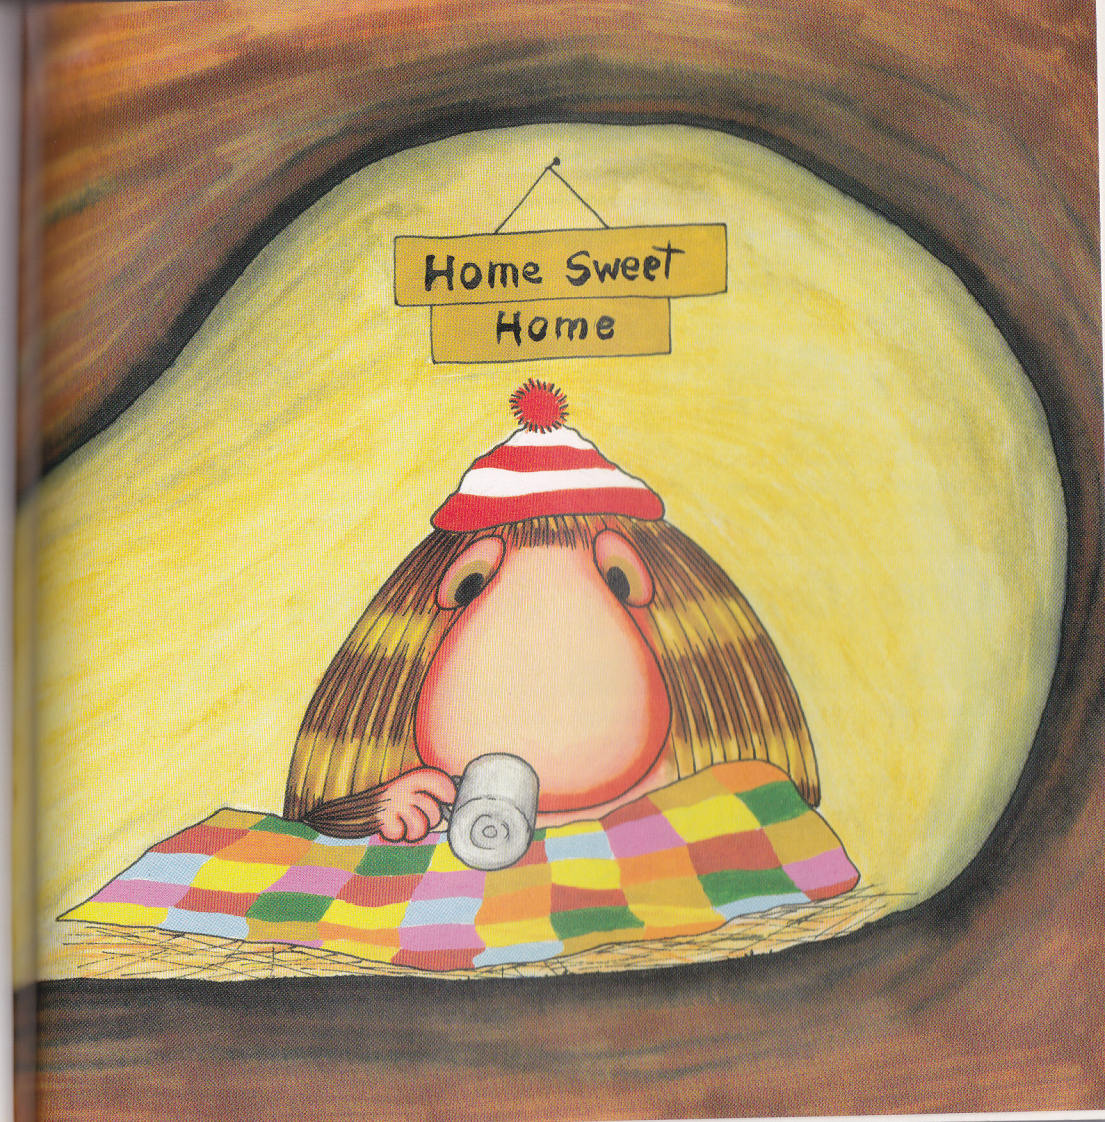

He dipped the carrots into his tea-tree
soup and ate them. Very, very tasty!

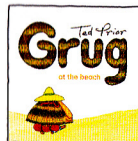

Then he carved a face in the cake
and put it on his mantelpiece.

Grug went to bed and drank a cup of
his favourite lemongrass tea.
